CCP 2015 Recertification Changes

Welcome and Overview

- ❑ CCP program revised in 2015
- ❑ BCCB Licensed the Job Task Analysis™ and eligibility scheme developed by the US DOE's Better Buildings Program under the **Commercial Workforce Credentialing Council, a Council of the National Institute of Building Sciences™**
- ❑ CCP program now complies with ISO 17024: 2012
- ❑ The BCCB applied for third-party accreditation to that standard February 2016 through ANSI

Transition Period for CCPs Who Earned their Certification prior to January 1, 2016

- ❑ Transition period is for CCPs who recertify between January 2016 and July 1, 2017
- ❑ All CCPs categorized into groups based on Expiration Date
- ❑ Notifications sent periodically to all CCPs regarding their recertification requirements.
- ❑ All CCPs recertifying after July 1, 2017 will be recertifying to the new program

CCP Recertification Requirements

- CCPs must complete all recertification requirements every three (3) years.
- CCPs must complete a recertification application demonstrating:
 - Evidence of continued competence
 - Continuing education and/or
 - Other related professional development
- CCPs must be approved by the BCCB Board for Recertification

CCP Recertification Requirements Continued

- ❑ Plan to meet requirements and recertify on time prior to the expiration date
- ❑ If not, certification will be suspended
- ❑ Total credential revocation will follow at the end of the 6 months suspension
- ❑ Pgs 24-27 CCP Candidate Handbook for further details
